Payment will not be accepted at program site – no exceptions. You may bring your registration form and payment to City Hall – Parks and Recreation front counter located at 333 Civic Center Plaza or the Grand Theatre Center for the Arts, 715 N. Central Ave., Monday-Thursday 8am-6pm and every other Friday 8am-5pm or online at www.tracyartsandrec.com prior to the start date.

You also have the option of faxing your registration to (209) 831-6218 if paying by credit card or mailing in your registration and payment. If mailing your registration and payment, please

remember that if it is not **received before the first day of program** your child will not be allowed to attend until the paperwork has been processed.

Drop Off Procedures: This is a Drop-In program. All participants must sign themselves into the program within 15 minutes of the school dismissal bell (1:45pm on Mondays, 2:50pm Tuesday-Friday). **The City of Tracy is not responsible for the participants in the program until they have signed in during program hours.** Staff will not be available to accept the responsibility for a child prior to the start of program. If the participant fails to sign-in within 15 minutes after the dismissal bell and has been spoken to twice, they may be dis-enrolled from the program. A parent will be notified each time.

Pick Up Procedures: As a drop-in program, all participants are free to leave and sign themselves out. Once a participant has left the program they must leave for their destination and leave the campus area and the program. Participants will not be allowed to come and go. Parents may pick up their child or designate other approved individuals to do that as long as they are 18 or older or an older sibling of the child. Parents must have all persons authorized to pick up their child(ren) listed on their emergency form. A child will only be released to the parent or approved individual upon sign-out and identification check. To authorize an individual to pick up your child, you must add them on your emergency release form.

Late Pick Up Policy: If a child has not been picked up or left the program by 6:00pm parents will be issued a late pick-up warning and the Tracy Police Department may be notified that a child has been left at site. If a parent receives a third late pick-up during a school year, the parent must meet with the program coordinator to discuss other options or solutions before the child can attend the program again. The child may be dis-enrolled from the program.

Contracted Parent/Guardian: The parent/guardian who fills out the enrollment agreement and signs the Parent Handbook form is considered the contracted parent/guardian. This means that we will come to that parent/guardian concerning discipline issues, program paperwork and all financial responsibility. If both parents want to share the responsibility, both must sign the enrollment agreement.

Any parent has the right to pick up their child unless there is a court order or a restraining order that states otherwise. Court orders must be turned in to the Parks and Recreation Department Office in order to be honored. The Program Supervisor will ensure that site staff is aware of the requirements and that they have the form on file. It is the responsibility of the contracted parent/guardian to update and keep current the emergency form.

In light of recent incidents that have taken place at schools around the country, the City of Tracy is updating communication methods with parents in emergency situations. Please fill out the **Lockdown Communication** section so that we may update you in case of a lockdown situation at your child's site. Our current software currently only allows for two email addresses and one cell phone number to be assigned to receive alerts. By adding your cell phone number, you are agreeing to receive text message alerts for emergencies only. Standard text messaging rates may apply.

Emergency Contact: Your emergency form must have the names, addresses and phone numbers of **LOCAL** people you wish us to contact when we cannot reach the parent/guardian in an emergency. They are the only people we will release your child to. The form is not considered complete without at least one **LOCAL** person and their phone numbers.

Refund/Credit Policy: No refund or credit will be given for any part of the year once the program has begun. No credit will be given if your child is absent.

Behavioral Expectations: It is the policy of all programs that participants, parents and staff be treated with respect at all times. We ask that parents refrain from striking or yelling at their children in the program or on program grounds.

Parents/guardians are reminded that staff should be treated with respect. At times of volatile situations, all parties should take a time out and re-address the issue at a calmer time. We are all examples for our children.

Staff will adhere to the following discipline guidelines:

1. Hitting, kicking, spitting, swearing, and/or an aggressive uncooperative attitude will result in "quiet time". An incident report will be filed and parents notified about the problem.
2. Minor discipline issues may be handled by staff and logged in a behavior log.
3. A written warning will be given to parent after the child's first incident. A Second Incident Report will result in a second written warning and a call will be made to parents to discuss the behavior. A third incident report will result in a one-day suspension.
4. Any violent act toward any other child or staff will result in immediate suspension and/or termination of services. No refund for unused time will be issued.
5. The subsequent incident report will result in a meeting with the parent/guardian to discuss continuation of services.
6. A meeting can be called with a parent/guardian regarding child at any time.

Discipline at the program is used as a learning opportunity rather than a punitive experience. We encourage children to respect themselves, each other and property while participating in our program. Please speak with your children regarding any incidents they may have. If you have a concern about another child, please discuss the situation with the site supervisor or the program coordinator.

Medication: The staff members at each site are not authorized to administer medication of any kind to any child. If your child requires medication to be taken, please make arrangements for your child to go to the school office at a designated time.

Medical Conditions: Please notify the staff immediately regarding any medical problems or concerns they need to be aware of in order to help your child. Please instruct them as needed, keeping in mind they may not administer any medication.

Use of Photographs: Unless otherwise notified, the City of Tracy Parks and Recreation Department reserves the right to utilize photos, video and/or quotes of program participants for the specific purpose of promoting our programs and facilities.

If you do not wish your child to appear in any department promotions, please contact the Parks and Recreation Office immediately at (209) 831-6202.

Contact Parks and Recreation Department: If you have any questions regarding the S.A.F.E. program, contact the Recreation Division at (209) 831-6202.
