Prayer Flags 1-Day Workshop

March 25th 2019

9:30-3:00

In this day long workshop students will be provided with a set of 10 plain white prayer flags and a piece of clothes line to hang them on. Each flag is roughly 6 x 10 inches. Our time together will be thoughtful and mindful with good intention woven in and through the prayer flag making process. Working with acrylics and printing plates we make marks, print with stencils, and stamp with fun objects, and add ribbons, threads and yarns. Some simple hand sewing will be involved. We will also discuss the origins of the Prayer Flags as to understand their deeper meaning. These will look great hanging outside in your garden or flower areas inviting good orderly direction for growth.
