

Youth Wrestling COVID-19 procedure (2022)

The Youth Wrestling program will focus on proper techniques, conditioning and fundamentals and will not be competing with other out of town programs at youth events. The following safety protocols will be in place for the youth wrestling program.

1. Masks will be worn by participants, coaches, and parents at all times while in the building.
2. Parent may walk their children into practice but will not be permitted to stay for the practice.
3. The program will not compete in any youth events with other towns.
4. Program status is subject to change at any time due to any changes with COVID-19.
5. Any participant with any COVID-19 symptoms should not attend the program.
