

Time for Tots Registration FAQ

How to Register

New Customers:

- Visit: www.registermoval.org & click create account.
- Upon completion of account, you will follow the link to register for activities.
- Search Time 4 Tots and select the session you would like to register for.
- You will need to download the Summer Registration Fillable Packet, complete it, and email the completed packet to T4T@moval.org
- City staff will review your registration packet and will email you approval. After approval you will then be able to register the child for the class.
- The first day of Time for Tots that your child attends, the birth certificate and immunization record will need to be provided to teachers to verify age and immunization records.

Returning Customers:

- You will need to log into your Active Net account, search for Time 4 Tots and register for designated session.
- You will need to download the Summer Registration Fillable Packet, complete it, and email the completed packet to T4T@moval.org
- Since the child's birth certificate and immunization record has been previously verified you will not need to bring it the first day of class.
