Thank you for joining us at Como Park Zoo and Conservatory for some exciting adventures!

Please note that many adult classes are scheduled to begin before Como opens in the morning. To facilitate your entry into the Visitor Center before hours, a staff member will meet class participants at the main entrance of the Visitor Center (see enclosed map for assistance). We suggest parking in the Palm Parking Lot, adjacent to the Carousel. Please plan to arrive 5-10 minutes prior to the scheduled start time of your class.

Portions of these programs may take place outdoors, so we encourage participants to dress for the weather and wear closed-toe shoes. Use of cameras is welcomed during our programs.

The Como Park Zoo and Conservatory Education Department strives to integrate the beauty and wonder of the natural world into fun, hands-on programs with a message of conservation and stewardship. Thank you for your support!

If you have not explored all of our opportunities, please visit our website or call us at 651-487-8272.

Thank you!
