How Will Teams Be Formed?

Teams will be constructed using the following criteria: grade level, number of boys and girls in the league, and what school they attend. We know we cannot place each child with their best friend, so ***we do not guarantee team placement requests.***

We do make every attempt to place children on a team with at least some of their schoolmates, however, this is not always possible, and ***is not guaranteed.***

For more information contact Kelci Bednar, Recreation Supervisor, at 630-323-7500 ext. 237
or by email at kbednar@thecommunityhouse.org
