

# YMCA Swim Lessons

Hello! My name is \_\_\_\_\_

I am teaching your child  1 / Water Acclimation  2 / Water Movement  3 / Water Stamina this session.

At the Y, swimming is a life skill. Our swim lessons prepare kids of all ages to stay safe and have fun in the water, building strong swimmers and confident kids. Listed below are the skills we'll be working on this session. I will look for your child to comfortably and consistently perform each skill in order to progress to the next stage. Please feel free to ask me questions about the skills or your child's progress.
