For most classes, No; make-up classes are not mandatory. You can schedule a make-up class to keep your child moving when they have to miss their typical class.

Placement-Level and performance company classes, however, have a specific attendance policy.

What is The Placement Program/Performing Companies Attendance Policy?

Students in any placement program at DDC&G are expected to maintain a 75% attendance rate during the summer session, and an 80% attendance rate during the Fall session in all required classes. The curriculum is based on 48 lessons beginning each summer and concluding with the June performance. Summer classes begin the curriculum and are required in all Placement-Level Classes.
