

# Preschool Movement

Preschool Movement is a once a week 2 1/2 hour class specifically designed to enrich your child's preschool education.

It follows a highly developed curriculum based on studies proving the benefits of movement for young student's language acquisition, physical development, and creative problem solving.

Each class focuses on a letter of the alphabet which children are encouraged to explore through directed activities including arts & crafts, story time, creative movement and gymnastics!

## Movement Focused Curriculum...

- » Fosters Literacy Development
- » Promotes Gross Motor Skills
- » Provokes Mathematical Thought
- » Encourages Creativity
- » Provides a FUN Energetic Outlet!
