COVID-19 Health & Safety Guidelines for Recreation Activities

Thank you for choosing City of Redmond! Our top priority is the safety of participants, staff, and the community. The following is general information, guidelines and procedures established to maintain a safe experience. Health and safety guidelines are created in accordance with guidelines from the Centers of Disease Control (CDC), King County Public Health and the Governor's Office. As King County moves through Washington's Phased Approach, the following guidelines may change. Any changes will be communicated to participants via email.

GENERAL INFORMATION

- Signs will be posted at all recreation sites restricting entry to anyone with symptoms of illness.
- No person with the following symptoms may participate activities: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscles or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea.
- If a participant or family member has tested positive for COVID-19, they may not attend activities until they have been without symptoms for 14 days.
- Activities will be modified to ensure physical distancing.
- Each participant will be supplied with their own set of materials, if applicable.
- No field trips or transportation will take place until Phase 4.
- Frequent handwashing will be encouraged.
- Staff will maintain physical distancing whenever possible (except when required to assist an injured participant or other emergency situations) and disposable gloves will be worn if physical assistance is required.
- Staff will complete health questionnaire and temperature check each day during check in.

CHECK IN PROCEDURES

- Separate entry and exit points for participants will be established at each site.
- Participants must take their temperature before arriving for their activity.
- Upon entrance to the activity site, all participants must complete a health check questionnaire, sign a COVID-19 specific waiver, and wash their hands.
- Hand sanitizer will be available at all entry points if hand washing is not an option.

CLEANING PROCEDURES

- Cleaning and disinfecting routines will be scheduled and maintained by all staff allowing for multiple cleanings of all high touch points.
- Surfaces and objects will be cleaned between activities.
- Items that cannot be sanitized will not be used.
- Hand sanitizer will be provided at entrances and in all rooms.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

- Masks will be worn by staff at all times (except when eating or hydrating).
- Masks must be worn by participants when indoors or during any time when physical distancing cannot be maintained, such as in the restroom and common areas of buildings.

IN THE EVENT THAT A PARTICIPANT BECOMES SICK WITH COVID-19 SYMPTOMS

- The participant will be isolated until they can be picked up.
- Staff will contact families by phone and arrange for immediate pickup (within 45 minutes).
- All families in that activity will be informed that a participant became sick and there is the possibility of COVID-19 exposure (i.e. a cough, shortness of breath or difficulty breathing, a fever of 100.4 degrees or higher or a sense of having a fever, a sore throat, chills, new loss of taste or smell, muscle or body aches, nausea/vomiting/diarrhea, congestion/running nose not related to seasonal allergies, or unusual fatigue).
- The spaces used will be shut down and disinfected before used again.
- Participants will be transitioned to a different area until facilities and equipment are sanitized.

If, at any time, a participant is unable or unwilling to abide by the guidelines and procedures set forth in this document, the City of Redmond reserves the right to suspend that participant's registration for the remaining days. In this case, a refund will not be issued for any unattended days.
