# Important Camp Information

The COVID-19 pandemic has impacted this year's summer camp offerings by requiring smaller groups of children and by specifying the length of each camp session. This means the number of spots available is limited.

We will offer three sessions which will operate for 3 weeks each:

Session 1: June 15 – July 2nd – No camp July 3rd

Session 2: July 6 – July 24th

Session 3: July 27 – August 14

All camps (except Farm Camp) will operate from 8:30 a.m. – 5:30 p.m. All camps are operating under the following guidelines to ensure safety:

## **SF Health Order**

The following are our guidelines for providing summer camps this year:

1. Summer Camps must limit group size to 12 children (a "pod") per room or space;
2. Summer Camp sessions must last at least three weeks;
3. Children must remain in the same pod for at least three weeks

Children must attend the first week of the session in order to come to the camp. Failure to show for any week of the 3-week session will result in withdrawal with no refund.

Children will be screened daily for health and parents should not bring their child to camp if any member of the household, including the child coming to camp had fever, cough or shortness of breath in the last 24 hours; if the child had contact with a confirmed case of coronavirus in the last two weeks.

## **Age Requirement**

Children must at least be entering 1st grade in the fall (be 6 on or before 9/1/20) in order to sign up for most of these summer camps.

## **Pre-Camp Communication**

All parents should receive an email each Wednesday prior to the start of camp. This will include information such as where to drop off and pick up your child, what to bring, outing and special activities information, contact information for the camp leaders, and any other important information. If you do not receive this email, please let us know!

## **What To Bring**

Please bring a healthy bag lunch, a snack and refillable water bottle to each day of camp. Please wear and bring sunscreen if your camp is outdoors. Please wear appropriate clothing to camp: sneakers (closed toe shoes), layers, etc.

## **Medical Conditions - ePACT**

Please be sure to inform us of any important medical conditions prior to the start of camp. It really helps us prepare to provide the best experience for your child. We will be using the ePACT network to collect your child's medical information. You will receive an invitation via email prior to the start of the session.

# RPD Registration Policies

## Payment

**Session 1 Camps:** Payment due upon registration. No refunds.

**Session 2 Camps:** Payment plan available. Pay full amount upon registration OR pay 20% non-refundable deposit with final payment due on June 30th. Failure to pay on due date will result in withdrawal. Withdrawals for refund minus deposit must be made at least 1 week before camp starts.

**Session 3 Camps:** Payment plan available. Pay full amount upon registration OR pay 20% non-refundable deposit with final payment due on July 21st. Failure to pay on due date will result in withdrawal. Withdrawals for refund minus deposit must be made at least 1 week before camp starts.

## Withdrawals & Transfers

You need to withdraw at least one week before the camp starts, otherwise you will forfeit the entire cost of the course. Withdrawals requested greater than one week before the camp starts will be charged the 20% deposit.

## Scholarships

Recreation and Parks offers Recreation Scholarships to eligible San Francisco individuals and families.

**Ongoing eligibility is dependent on attendance record.** Visit [sfrecpark.org/scholarships](http://sfrecpark.org/scholarships) for more information.

## Photo Policy

Occasionally photos may be taken of participants in the programs, classes and activities.

These photos may be used in future program guides, brochures, web site, pamphlets, flyers or news releases.

## Camp Cancellation

Camps that do not meet minimum registration may need to be cancelled. If we need to cancel a camp for any reason, we will notify you immediately and full refunds or credits will be made available.

# How to Register for Camps

## **PRIORITY REGISTRATION**

**Priority Registration opens at 10am on May 26th** for participants in the SFRPD Emergency Childcare and Scholarship-eligible families.

Families currently on scholarship or who have been enrolled in emergency childcare can self-register. For information about our scholarship program, visit the scholarship webpage at [sfrecpark.org/scholarships](https://sfrecpark.org/scholarships). Please note that it may take a few days to process all scholarship applications depending on volume.

## **GENERAL REGISTRATION**

Registration for all other families opens at **10am on June 6th**.

## **REGISTRATION OPTIONS**

Register online at [sfrecpark.org/register](https://sfrecpark.org/register) or call our Hotline (628) 652-2900 between the hours of 9am-5pm, Monday-Friday and from 9am-1pm on June 6th.

## The City of San Francisco Recreation & Parks is now using ePACT Network to collect your child's medical and emergency contact information!

City of San Francisco Recreation & Parks is proud to announce our use of ePACT, a highly secure online emergency network, to collect medical and emergency information for all our participants, instead of using paper forms.

Using ePACT means we will be better prepared to deal with any emergency, big or small. ePACT provides us with more accurate, up-to-date and legible information than the paper forms we've used in the past. Because it is web-based, we have the ability to securely access the system via smartphone, tablet or computer so it's always accessible whether at the park or during a field trip.

***For families, it means only completing one form, instead of multiple ones for different programs.*** You create and manage your single family emergency record, and give access to the Recreation & Parks programs that need it.

Privacy and security is ePACT's top priority- their system actually meets or exceeds the same standards as most online banks.

### How to use ePACT

- Each member's family will receive an email invitation to use ePACT prior to summer starting.
- Families then accept this invite and log in to or create their ePACT account.
- Following a series of steps, parents enter required details, such as medical history and emergency contacts. Families then securely share this information with City of San Francisco Recreation & Parks allowing select staff access to their information.
- Families can update ePACT anytime during the year, and we will automatically be alerted (e.g. add a new cell phone or new emergency contact, and we receive that update).

The City of San Francisco Recreation & Parks cares about the safety of all its members. Using ePACT means we can better connect and communicate with all our members and their families when needed!

## Summer Score Camp

**Per the DPH guidelines, attendance at all 3 weeks of each session is mandatory. Participants may not skip any week or they will be withdrawn and there will be no refund.** Children must currently be entering 1st Grade in the fall (be 6 on or before 9/1/20) in order to sign up for these summer camps.

Are you looking for a camp that will have your children ready to learn and participate in some fun outdoor and indoor activities? The Youngblood-Coleman Variety Camp will have learning enrichment activities such as science projects, math bingo, and other fun ways of bringing education to the summer. In addition, campers will learn about and play basketball, flag football, baseball, and tennis. This will be a perfect blend of sports camp, summer school and so much more! Please bring a healthy bag lunch, a snack and refillable water bottle to each day of camp. For outdoor activities, please wear and bring sunscreen. Please wear appropriate clothing to camp: sneakers (closed toe shoes) and layers. No camp Friday, July 3.

## Tennis-Art-Chess Camp

**Per the DPH guidelines, attendance at all 3 weeks of each session is mandatory. Participants may not skip any week or they will be withdrawn and there will be no refund.** Children must currently be entering 1st Grade in the fall (be 6 on or before 9/1/20) in order to sign up for these summer camps.

Tennis is a very cerebral sport. The skill set that needs to be developed requires comprehension, analysis, repetition, and extreme patience. Additionally, tennis is an individual game where coaching is not allowed. Therefore, a player must have a high degree of technical and strategic acumen, in order to self-correct under competitive play. To this end the tennis camp will be using the Maunupau Method - Learning and Fun Tennis System (MM/LAFTS). Instruction will be divided into 4 parts: 1) safety, zero tolerance anti-bullying policy, word of the day, and technical lecture 2) drills that support the theme of the technical lecture 3) fun games that support the theme of the technical lecture 4) match play. MM/LAFTS uses a progressive style process to learn the preternatural muscle pattern mechanics of stroke production. To aid in the complicated thought process students will learn one SAT word per day, create a tennis-related art drawing or project, and learn the game of chess. Students can expect to learn the appropriate tennis grips: continental, eastern forehand, eastern backhand, and semi/full western, as well as the appropriate stances: square, open, and closed. Please bring a healthy bag lunch, a snack and refillable water bottle to each day of camp. For outdoor activities, please wear and bring sunscreen. Please wear appropriate clothing to camp: sneakers (closed toe shoes) and layers. No camp Friday, July 3.
