How busy is this event? Do I need to show up early to claim some space?

This is our first year back after taking two years off from Concerts in the Park and we are expecting a large turnout. Folks are welcome to come early to save a space for themselves and check out our food vendors, sponsors, and outdoor activities. You'll also want to swing by the Tigard Parks & Rec booth for games and prizes.

Where exactly in Cook Park will the concert be held?

The concert is located at soccer fields 1, 2 and 3 (on your right as you enter the park). View a [map of Cook Park](#).
