Community Music and Dance Academy

2016-17 Financial Aid Award Policies

APPLICATION DEADLINE: August 1, 2016

Policies

Community Music and Dance Academy financial aid awards are applied directly to Community Music and Dance Academy tuition over the course of one full year, beginning in fall of 2016 and ending in summer of 2017. No cash awards will be given. If there is a reduction to the recipient's Community Music and Dance Academy enrollment after a financial aid award is made, the award will be decreased accordingly. After a financial aid award is made, any increase in enrollment will not necessarily result in an increased financial aid award. Such increases will be approved on a case-by-case basis. Unused financial aid may not be carried over past the sessions for which it is awarded. The acceptance of financial assistance from the Community Music and Dance Academy carries with it an obligation to attend lessons on a regular basis and work diligently at making progress. Financial aid may be withdrawn at any time if the instructor and/or the Community Music and Dance Academy Director find that the recipient fails to meet the minimum standards expected by the instructor. The receipt of a financial aid award, past or present, does not guarantee financial aid in the future. Information submitted with this application will be held in confidence and shared only with the financial aid selection committee. UMKC is an equal opportunity institution.
